

LAND ROVER GEAR

NEW RANGE ROVER VELAR

ABOVE & BEYOND

EXPERIENCE LAND ROVER GEAR

Range Rover Velar brings new levels of desirability and versatility to the fore, and is ready to meet the needs of your journey, no matter what the conditions. You can look forward to spectacular performance on and off road and the perfect way to ensure it meets your specific needs is to personalise your vehicle with Land Rover accessories.

We've designed four new Accessory Lifestyle packs for the Range Rover Velar to help you easily enhance your vehicle to suit your lifestyle. Choose between the Sports, Touring, Carbon Fibre or Active, all of which allow you to give your Land Rover the stamp of individuality it deserves.

We carry a wide range of stylish and practical interior and exterior accessories including the Click and Go range, the iPhone® Connect and Charge Dock, Wireless Phone Charging Cupholder and helpful Loadspace attachments. We also offer a variety of carrying and towing components, wheels, and wheel accessories.

Meticulously Designed and Engineered

Land Rover accessories are engineered by the same team who designed your vehicle. They are the experts who understand every inch of your Land Rover and its capabilities. Their expertise allows them to create accessories that complement the overall design of your vehicle, while optimising performance.

Tested to the Highest Standards

All Land Rover accessories are rigorously tested and inspected to ensure they meet the exacting standards you expect from Land Rover. This ensures they always work in harmony with your vehicle.

Accessories are tested in extreme hot and cold temperatures to ensure they will perform in all conditions, all year round.

Corrosion resistance testing ensures accessories can withstand demanding climates such as coastal conditions, while a series of tests ensure seamless integration with your Land Rover's existing safety features.

Accessories are put through their paces in a series of bespoke tests specific to their design, function and the materials from which they're made. Exterior accessory testing, for example, includes.

- Exposure to up to two years of direct sunlight known as 'Florida Weathering'.
- Heat Ageing Test for 500 hours.
- Extreme Heat Test ranging from –40°C to 80°C.
- Heat Shock Testing during which parts are cooled to –40°C for 16 hours, then heated to 70°C for 5 minutes.
- Humidity Resistance Test where accessories are subjected to 168 hours at 48°C in 95–100% humidity.
- Accelerated Environmental Cycle Testing comprising a relentless barrage of salt, dirt and dust to simulate real world driving.

Quality Assured

For additional peace of mind, all Land Rover accessories come with a minimum 12 month warranty or can be covered under your vehicle's existing warranty if they're purchased within the first month of ownership or 1,600 kilometres/1,000 miles (whichever comes first).

GO WHEREVER, CONNECT WHEREVER

CONNECTIVITY

Choose from two great in-car phone charging devices to ensure that you're never out of touch while on the road. Designed to keep your device visible while it charges, each of these chargers fits neatly into the cup holder space in the centre console of the Range Rover Velar.

Wireless Phone Charging Cupholder

The wireless phone charging cupholder has been designed to allow visibility of the phone whilst charging, utilising the cup holder space in the centre console. The holder will accommodate varying phone sizes securely in place. The charger displays an LED light to indicate when charging, and turns off when complete. Fits phones up to 73mm wide such as iPhone 7 with Qi enabled case.

iPhone® Connect and Charge Dock

The iPhone connect and charge dock has been designed to allow visibility of the phone whilst charging, utilising the cup holder space in the central console. When connected the iPhone media is accessible and has the ability to be controlled via the integrated infotainment / audio system. The 'cut-out' design of the holder is such that home button is also accessible for use when parked. The iPhone USB charger can be easily disconnected if the USB connection is required for other use.

TREAT YOUR PASSENGERS TO FIRST CLASS

CLICK AND GO

The Click and Go range is a multi-purpose seat-back system for second row passengers. The versatile Click and Go Base fixes between the headrest mountings and further attachments can be added to hold tablets, bags and shirts or jackets. Each attachment is sold separately. The base can be easily removed when not in use.

Click and Play (iPad 2 – 4®, iPad Air®, iPad Mini®, Samsung 10.1 ")*

This removable tablet holder attachment can easily be positioned at multiple angles for in-cabin comfort and rear entertainment.

Click and Hang*

This removable coat hanger allows shirts or jackets to be kept crease-free whilst transporting. Also includes an integral hook for use outside the vehicle.

Click and Hook*

This universal hook creates extra storage space for items to be hung, especially useful for handbags or groceries.

* Click and Go is not compatible with rear seat entertainment.

MAKE THE MOST OF YOUR SPACE

LOADSPACE CAPACITY

Practical and minimal accessories designed to keep your luggage organised and secure, while also protecting the interior of your vehicle.

Loadspace Full Protection Liner

The loadspace full protection liner covers sides, roof and loadspace floor and provides full protection from wet or muddy items like boots, garden waste, or leisure equipment. When loading, the padded panel drops down and acts as a bumper protector. The liner anchors securely to the lashing eyes to keep it in place and is designed to keep bulky objects hidden from view. A side zip allows easy access to the loadspace area.

Luggage Partition

Designed to prevent luggage from entering the passenger compartment. The design of the luggage partition has been optimised to second row seating featuring tilt functionality. Complies with ECE-17 regulation.

Luggage Partition Divider

Can be fitted to the luggage partition to separate the loadspace into two sections.

Loadspace Rubber Mat

Waterproof rubber mat helps to protect the rear loadspace carpet from general dirt.

ENJOY EVERY SEASON IN STYLE

EXTERIOR STYLING & PROTECTION

1. Mirror Covers - Chrome

Chrome mirror covers to enhance the vehicle's exterior design cues.

2. Side Vents - Bright finish

Bright side vents provide a subtle exterior design enhancement.

3. Side Vents - Carbon Fibre

Carbon Fibre side power vents with a High Gloss finish provide a performance-inspired styling upgrade.

4. Side Vents - Gloss Black

Gloss Black side vents provide a subtle exterior design enhancement.

5. Rear Spoiler - Carbon Fibre

Sleek and dynamic, the high-grade Carbon Fibre rear spoiler provides a performance-inspired styling enhancement to the Range Rover Velar's exterior design cues.

6. Range Rover Lettering - Narvik Black

Replace the Silver Range Rover lettering and enhance the appearance of your Range Rover Velar with this alternative Narvik Black bonnet and tailgate lettering.

10.

7. Deployable Side Steps

These smart, practical steps make it easier to get in and out of the vehicle. Neatly stowed under the sills, the side steps automatically deploy as soon as the door is opened, or when activated by the key fob. They stow automatically when the door is closed. The side steps are sensitive to obstructions. Automatic mode can be overridden to allow access to the roof when the doors are closed. The deployable side steps are compatible with front mudflaps and feature a stainless steel finish with laser etched Range Rover branding.

8. All-Weather Car Cover

All-weather tailored cover protects your Range Rover Velar from the elements including showers, frost, snow and dust. Quick and easy to fit.

9. Bumper Protector

Convenient pull out protector provides protection for the rear bumper from scratches and scuffs, helping to prevent clothing from collecting dirt from the bumper during loading/unloading. Manufactured from a robust fabric material the bumper protector has been designed to concertina into the space under the loadspace floor for stowage.

10. Mudflaps - Front and Rear

Mudflaps are a popular upgrade for reducing spray and ensuring paintwork is protected from debris and dirt whilst complementing the vehicle's exterior design.
